Welcome to the IVO

The **IVO** guide helps you find your way around and access the different units and services of the hospital complex.

For additional information, please visit our website: www.ivo.es

What is the IVO?

The Valencia Oncology Institute Foundation (IVO) is a private non-profit organization whose assets and economic resources are used entirely for the fight against cancer including all its aspects: prevention, diagnosis, treatment, research and teaching.

Information of interest:

- **At your 1st visit** to the IVO, you will need to bring your DNI/NIE (personal ID) card and SIP (social security card) and go to UDCA (Admission New Patients), **BUILDING D**. Once you have a medical record with us, you will be given your **"IVO Identification card"**.
- You must present your **"IVO Identification card"** at each visit.
- **24 - HOUR EMERGENCY SERVICES**
It is located in **BUILDING A** and access is through Joaquín Ballester street.
- If you have an outpatient with: **RADIOLOGY**: Go to the Radiology Admissions in the basement of **BUILDING B** BASEMENT or Radiology 2nd FLOOR, **BUILDING C**.
BLOOD TEST: Go directly to the blood test room on the GROUND FLOOR, **BUILDING D**.
- If you have an appointment with **CONSULTATIONS**: go directly to the first floor of **BUILDINGS C D E** (see directory). Remember to confirm your arrival at the "Electronic attention points".
- If you have an appointment with **RADIOTHERAPY TREATMENT**: go to the waiting rooms indicated on the confirmation of arrival ticket.
